Covina, California

1980 A YEAR

There is one very special teacher on this campus that has been with Covina High teaching staff for several years. This teacher is an art teacher, ceramics and an English teacher.

She is retiring this June and she means a lot to most of Covina High students, especially to our class. We all hate to see her leave us.

The 1980 Cardinal Staff is honored to dedicate this yearbook to our Yearbook Advisor and teacher . . . She's a very special person to all of us . . .

This teacher is Mrs. Blanche Rasmussen.

STUDENT LIFE

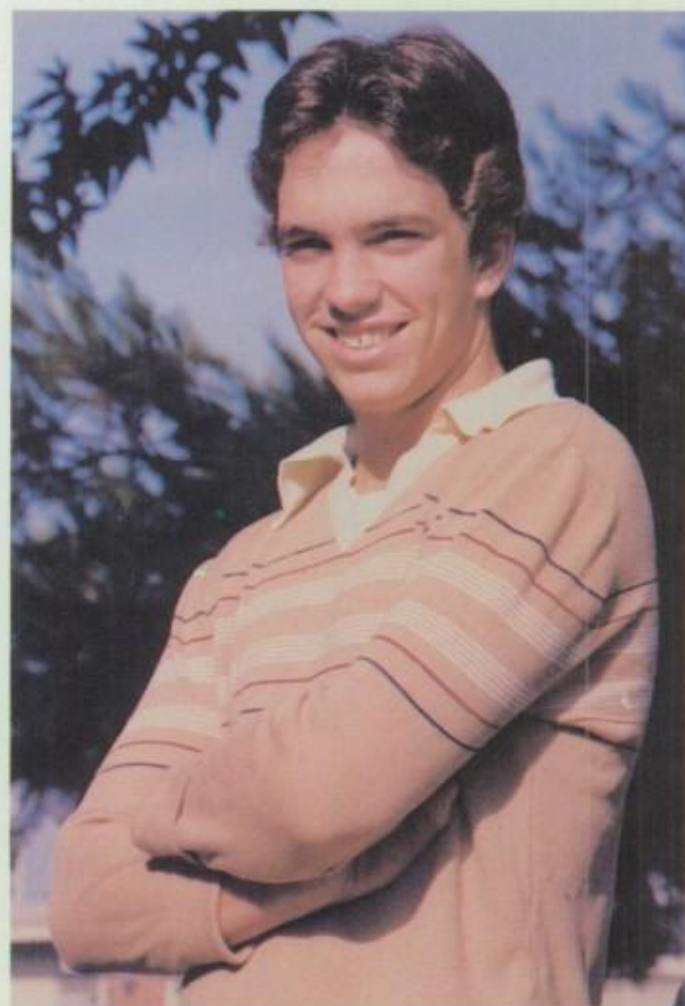

The student life section in a yearbook is just as important as the actors in a movie. If you didn't have them there would be no movie or in this case no Student Life section. The cast is you and all of your fellow students. The place is Covina High and the story, "Spirit at it's fullest." There are the leaders to guide us to spirit, the clubs to sustain it, the sports to arouse it, and of course, the students to project it. Then of course, there's always the director, which brings us all together and brings out the spirit in all of us, and that great man is Mr. Arredondo.

1. Gary and Judy show their spirit, and they obviously have a lot to show.
2. Coach Wilson gives the photographer his shy look.
3. C.H.S. students trying to look busy.
4. John O'niel tries to keep the band and drill team in line.
5. Most students shy away from the camera, BUT NOT BILL.
6. Gina and Sue are caught off guard.

The Covina High School ASB Cabinet is under the guidance of our new Student Activities Director, Mr. Michael Arrendondo. The ASB President, Mr. Steven Gardner, has revealed his capability by making sure all duties are performed efficiently.

WYCAIPIANS *Moving On Up*

Doing things to improve the school describes this club perfectly. They put on the famous Luau and give little gifts to the athletes of various sports. They also go to LeRoy's Boys Home to entertain the children with parties and candies at Halloween and Easter. They love helping people and getting involved with many school activities. This is the smallest girls' club on campus, but the number of members is not as important as the amount of hours and dedication that the girls put in Wycaipians have come a long way in the past few years.

Alcyonians "Shining Star" is one of the most popular clubs on campus. During initiation the neophytes can be seen dressed up in memorable outfits and parading around the school is one of the common sights. Once a year the club makes a visit to Bide-A-Wee, giving gifts and entertaining the children. They always boost up the athletes' spirit by giving them small gifts and decorating their bedrooms with candy and streamers.

This club is very important to Covina High because it sponsors many school activities.

The girls did many things to raise money and arouse school spirit around campus this year. With the help of President, Liz McKee, the Mother-Daughter Banquet proved to be a success with Mrs. Sutherland named Mother of the Year. Other festivities include a fashion show by John Robert Powers and a brief talk by Mrs. Severn. On February 2, they sponsored the Valentines Ball, which is always one of the big events. The traditional Father-Daughter Banquet is also one of the enjoyable activities for girls and their fathers.

GIRLS ATHLETIC ASSOCIATION

Girls At It Again

The Girl's Athletic Association is full of active girls that raise money to support their sport whatever it may be. They successfully sold Bonus Books again this year to help pay for their annual G.A.A. sports banquet at the end of the year. The girls of G.A.A. were quite excited this year to have the opportunity to buy letterman's jackets designed for girls. So far this out-going club is still going strong and it will as long as the girls keep coming.

Covina's Scholars

The California Scholarship Federation is made up of students with at least three A's and two B's in academic subjects. There are activities put on to reward these students for their exceptional school effort. One of these is a night at Disneyland, with C.S.F. students from other high schools. Mrs. Hertle, the advisor, as a counselor, knows the needs of these gifted students and spends a lot of her free time trying to fulfill these needs.

Students With Interesting Hobbies

The Astronomy club, advised by Mr. Iverson, takes many trips throughout the year. Under the direction of president Mark Scungio, the club met and discussed their outings. There were also many lectures presented to the club.

The Future Farmers of America are advised by Miss Eckis. They attended the County Fair, and returned to school with many ribbons. The farm takes up most these students time, and they enjoy it very much.

JUNIOR SENIOR PROM

"Always And Forever"

On April 12, 1980, at the Los Angeles Biltmore dinner with Sirloin Tip Steak entree was served at 8:30, and dancing to the music of "City Lights" from 9 to 12 completed the memorable Junior-Senior Prom. As the highlight of the affair Gary Lollock, Junior Class President, acted as Master of Ceremonies introducing last year's Queen Kim Swanberg and King Scott McCollum. Kim placed the crown on Queen Crystal Crouch, who had served three years in Tall Flags and chorus. The sceptre was presented to King Brett Moore, a varsity wrestler who was voted the senior with the "Best Smile".

Other members of the court were Princesses: Pat Bertoglio, an active member of the Bands; Erin Foley, Alcyonian and class council member; Mara Jungk, Senior Class Secretary and active in girls sports; Liz McKee, Drill Team, Girls League and Wycaipian member; Elva Valdez, JV Cheerleader and Girls League member; Princes: Kevin Benedict, Senior Legislator active in basketball; Marcus Castro, Wrestler with the "Best Bod"; Bob Nyeholt, wrestler "Most Likely to Succeed"; Steve Schneider, Varsity Basketball player active in the Colt Band; and Frank Selvaggio, outstanding trackman.

It was, indeed, an evening to remember "Always and Forever".

FALL PLAY

"The Odd Couple"

On the evenings of Nov. 29, 30 and Dec. 1, the Covina High School drama dept. successfully opened their fall play. The Odd Couple proved to be an enjoyable night for all who attended. With George McCaig and Mike Bobek delivering fine performances as Felix Unger and Oscar Madison. John Plevny portrayed Murray the COP, while Lee Gleason, Rod Sturdivant and Steve Hill played Vinnie, Roy and Speed, the rest of Oscars poker playing buddies. Tami Doane and Elva Valdez played the Parts of Cecily and Gwendolyn Pigeon. Miss deBaun directed this well-acted play.

MUSICAL

"Dido And Aeneas"

On May 8, 9, and 10, the choral music groups under the direction of Dr. Fred Bacon-Shone presented the classical musical romantic tragedy "Dido and Aeneas" in the Traweek auditorium. Miss Linda Lebaun assisted with the drama direction. The role of Queen Dido was ably portrayed by Roxanne Ball, Aeneas by John Thompson, Belinda by Crystal Crouch, The Second Woman by Tracy Manley, Witches by Terry Miller and Gina Morrison, The Sorceress by Christy Molino and the Spirit by Kayla Owen. Like "Romeo and Juliet", "Dido and Aeneas" is a tragic story of ill-fated young lovers. The other members of Chorus and of Concert Choir played the Witches Chorus and the Court Chorus. It was a delightful musical experience for Covina High students.

VARSITY FOOTBALL

Never Say Die!

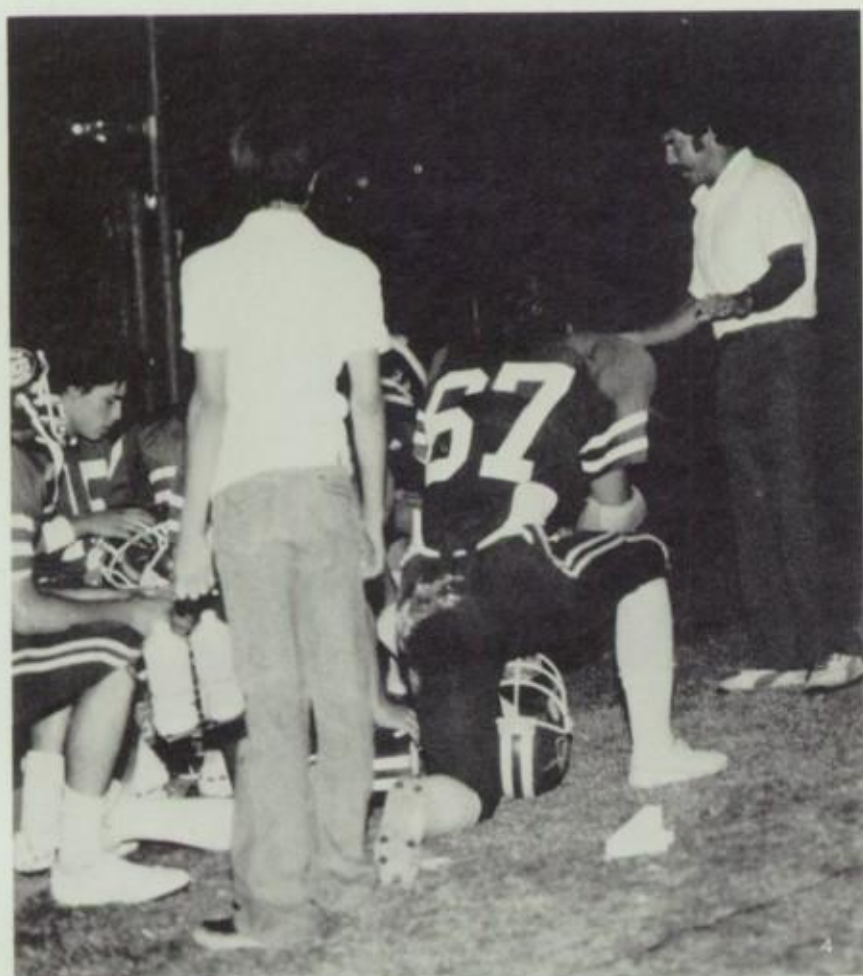

If anyone phrase could describe the spirit and efforts of the "79-80" Varsity squad, "Never Say Die" would be best suited. The Team finished the season with a 2-3 League record but made it to CIF playoffs, only to be defeated in the first round by a very tough Upland squad.

The Colts had many fine standouts, with 10 players making the "79" Valle Vista All-League Selections and 6 of those players making First Team All-League. First Team All-League Linebacker Russ Maybury had an outstanding season, fending with 127, just 8 short of the school record. First Team All-League Running Back, Jim Wolak finished the season with 117 carries, while gaining 610 yards. Senior Larry Baab received the First Team award for both Offensive Tackle and Kicker.

Many fine individual efforts were put forth by this club that worked so hard and together as a team. The Colts make team unity work for them and finished out the season with an overall record of 3-6-1 and a third place league berth.

J.V. FOOTBALL

Gaining Experience

The J.V. Colts had an uneven season this year, partly due to the injury of some key players. This team displayed more of a team effort in each game they played. There were standouts, of course, like Dave Lupu having a great season at tight end and kicker; Quarterback John Hardwick and his accurate passing game; and Walt Nakielski whose efforts earned him the Most Valuable Player award.

The athletic talent supplied by this team should provide Covina with some fine future teams.

3. Keith Doucette hits a Nogales running back and drags him down.

FROSH FOOTBALL

Young But Tough!

The Freshman Football squad had a mediocre season this year. Quarterback John Matlock suffered a knee cartilage injury and had to sit out the remainder of the season, hurting the team's efforts tremendously. Some fine individual performances were turned in though, as John Matlock had a great (if short) season of passing. Dan Hernandez was also an asset with his outstanding work on defense.

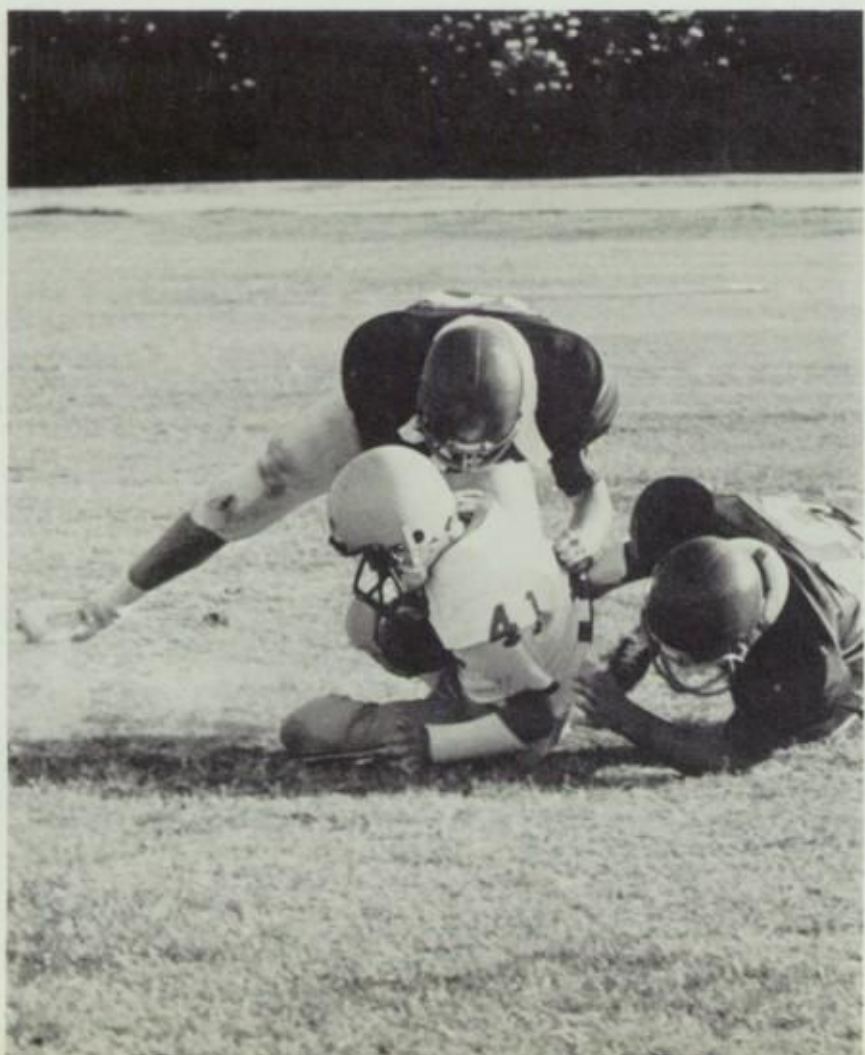

The team members are looking forward to more seasons of football and should provide Covina with some great teams.

CROSS COUNTRY

Keeps Getting Closer

Congratulations are in order to the guys and girls on the Cross Country team. The improvement of the team over the past two years is quite an accomplishment. Led by Coach Hanley the boys team finished in fourth place in the league. Some of the highlights of their season were their second place in the Yucaipa Invitational and a second place at the Azusa Invitational. Some of the outstanding runners for the boys included seniors Frank Selvaggio, Derek Firl, and sophomore Bill Lee who shows great potential for the future.

The girls team took second in league and went to C.I.F. Joan Hedani was number one in league and Jenny Meyers was fourth.

VARSITY BASKETBALL

CIF CONTENDERS

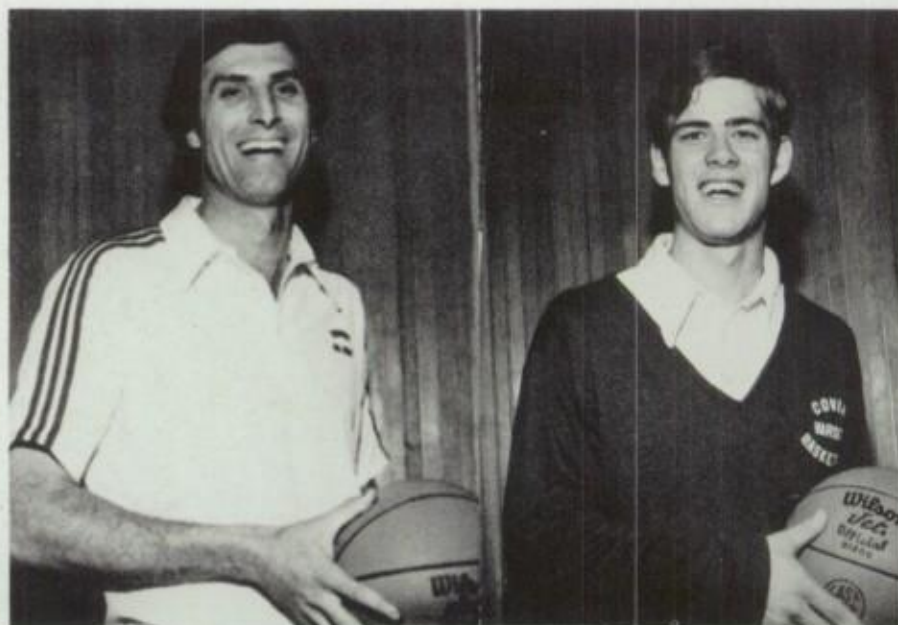

The 1979-1980 Varsity Basketball team maintained a proud Covina tradition by finishing their regular season with an 18 win 7 loss record going into the CIF 2A Playoffs. Led by returning senior forward Ron Letourneau and center Greg Whitesell, The Colts placed in all three pre-season tournaments; fifth at Arroyo, consolation at Schurr, and fifth in their own Covina Christmas Tournament with a 66-63 win over Gahr High School. Captain Ron Letourneau was named to the All-Tournament team in all three! Senior guards Roger Constance, Steve Schneider, and Donnie Robinson along with forwards Joe Payne and Dave Nemeth provided the balance that saw Covina enter Valle Vista play as a favorite. After two opening round defeats, Covina rallied to win six in a row defeating a highly ranked Nogales team 52-47 at Nogales and beating Northview at home 62-55 to finish second in the League. Junior starting guards Jim Wolak and Greg Kimbrell and junior forwards Russ Maybury and Tom Haynes combined with the seniors to account for Covina's strong finish. Congratulations to Ron Letourneau for being named Valle Vista League Player of the Year and Greg Whitesell named to the first team and the entire Varsity team, they have much to be proud of.

J.V. BASKETBALL

The J.V. Basketball team under Coach Viverto finished second in the tough Valle Vista League with a fine 7-3 record. In pre-season the team came in second in the South Hills Tournament after a heartbreaking 53-52 loss to Northview in overtime. Mark Rosenbloom led the offense this year at point guard, and most of scoring came from Scott Daily, with support from Sophomores John Hardwick and Tom Gorman. On defense, most of the rebounds fell to Junior Mike Thresher and Sophomore Steve Anderson. Being the smallest team in the League and playing most of the time with only seven to eight players, they finished with a very successful season.

Forwards Jeff Wilson and Keith Doucette with center Walt Nakelski provided excellent board play while guards Tom McLean, Jim Broadbent, Tom Asbury and Mike Henderson ran the Colt offense. Congratulations to this fine and improved Covina Sophomore team.

After placing second in the South Hills Tournament, the Colts continued to play well in the Valle Vista League and finished second with a 7 win 3 loss mark. Center Rob Edgell led the Frosh with forwards Sam Hernandez, Vince Cowles and Steve De Salvio inside, while guards John Vega, Courtney Rodriguez and Chris Henrich balanced the front line with excellent ball handling. VARSITY WRESTLING

Strive For Excellence!

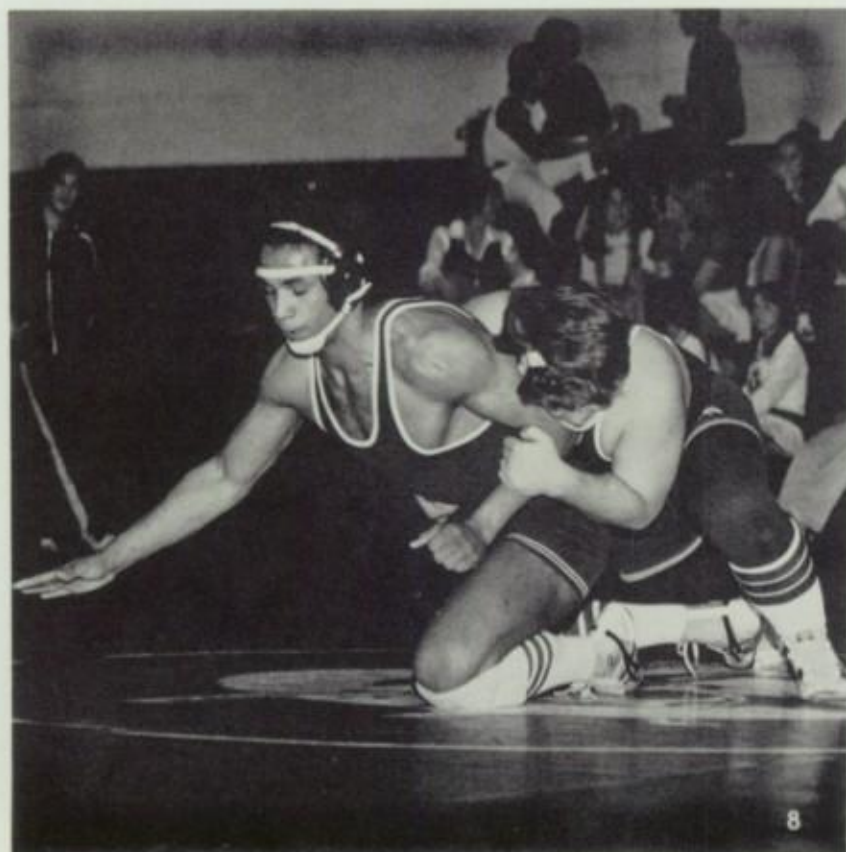

Hard work and dedication is what it takes to be a successful wrestler. This years Varsity Wrestling Squad was filled with outstanding individuals who were willing to make that effort. Nine talented wrestlers placed highly in the newly formed, but extremely competitive Valle Vista League.

From these nine emerged two exceptional athletes, Marcus Castro and Eugene Gonzales, who won in the C.I.F. preliminaries and advanced to the finals of C.I.F.

With wrestlers like Marcus and Eugene, Covina High's wrestling squad under the direction of Marc Haygood, was one to be feared by many.

JV WRESTLING

Developing Skill

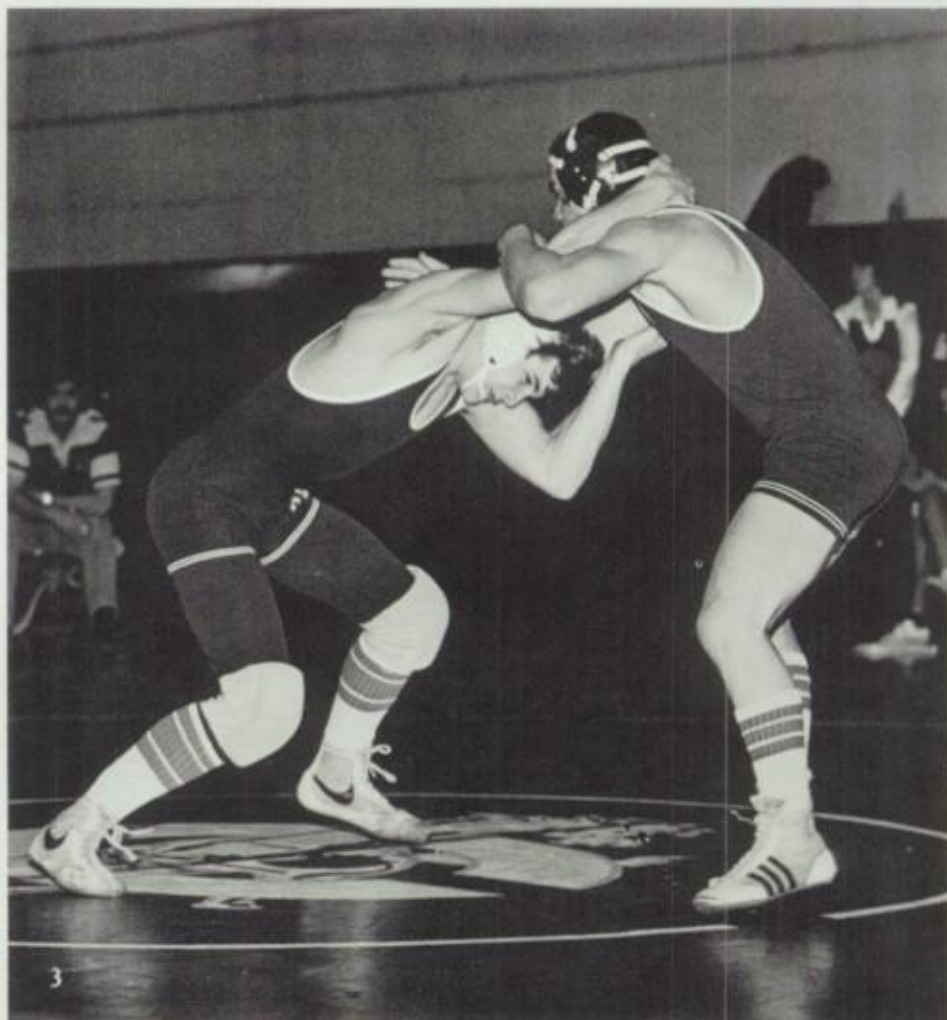

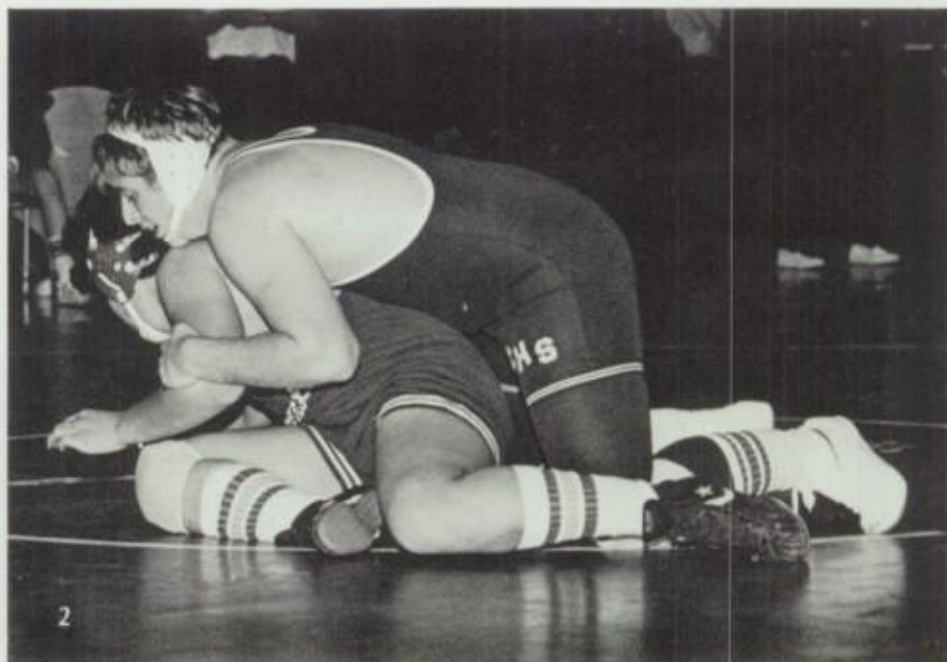

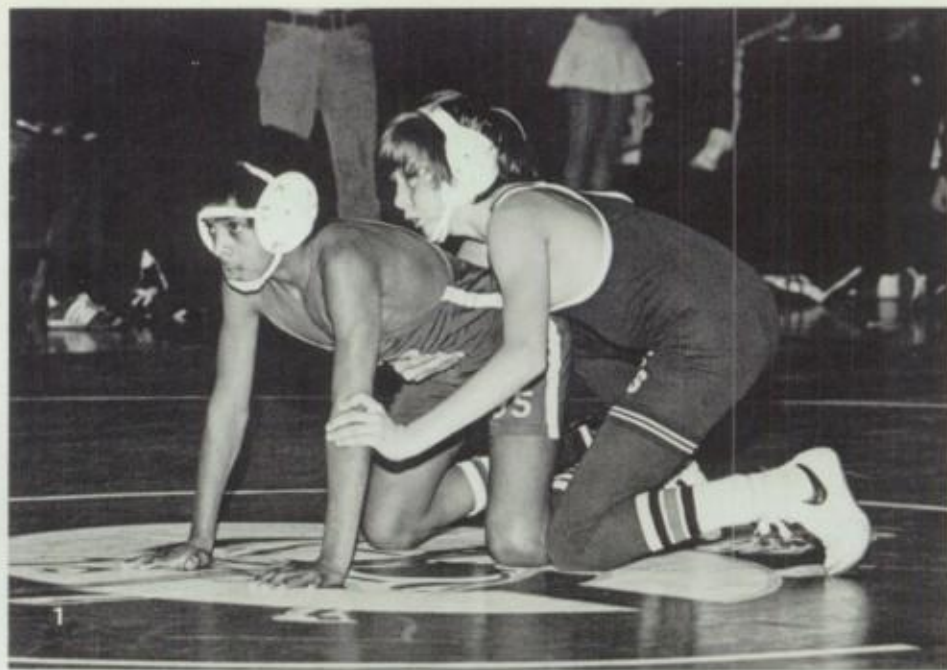

This years Junior Varsity Wrestling squad, despite undue obstacles of injuries and setbacks, were able to set a record of 2 wins and 3 losses in the very competitive Valle Vista League.

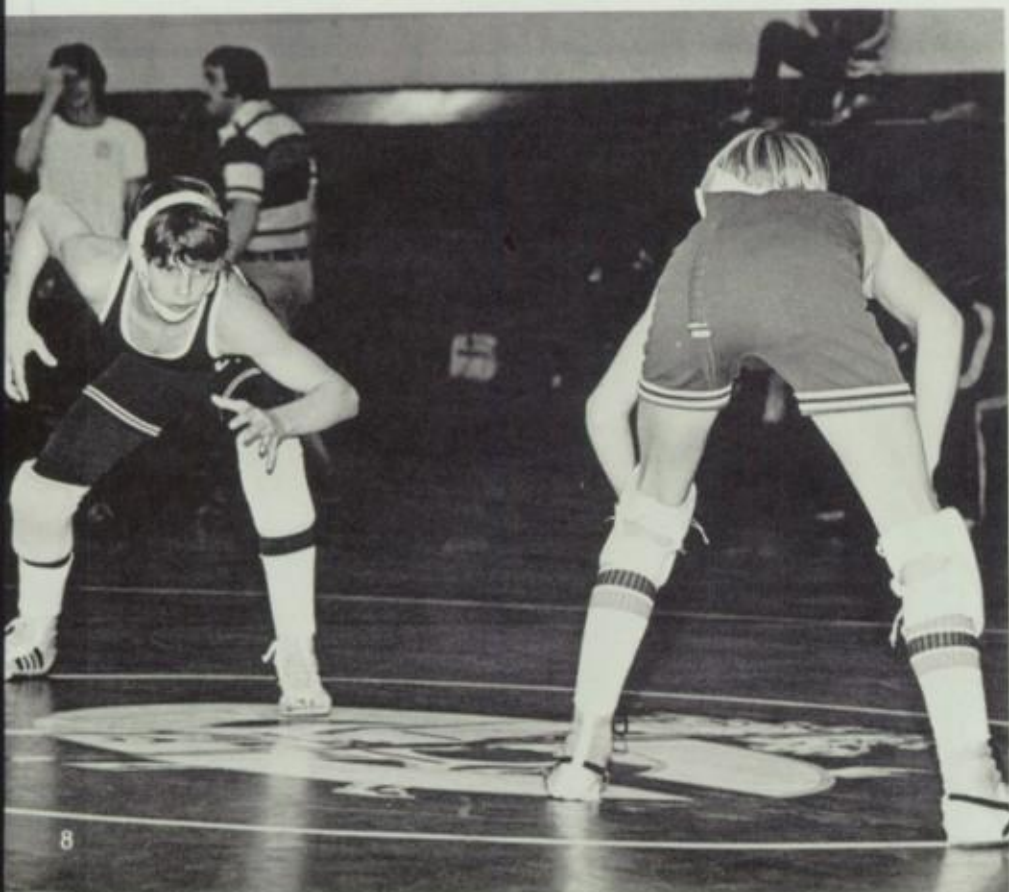

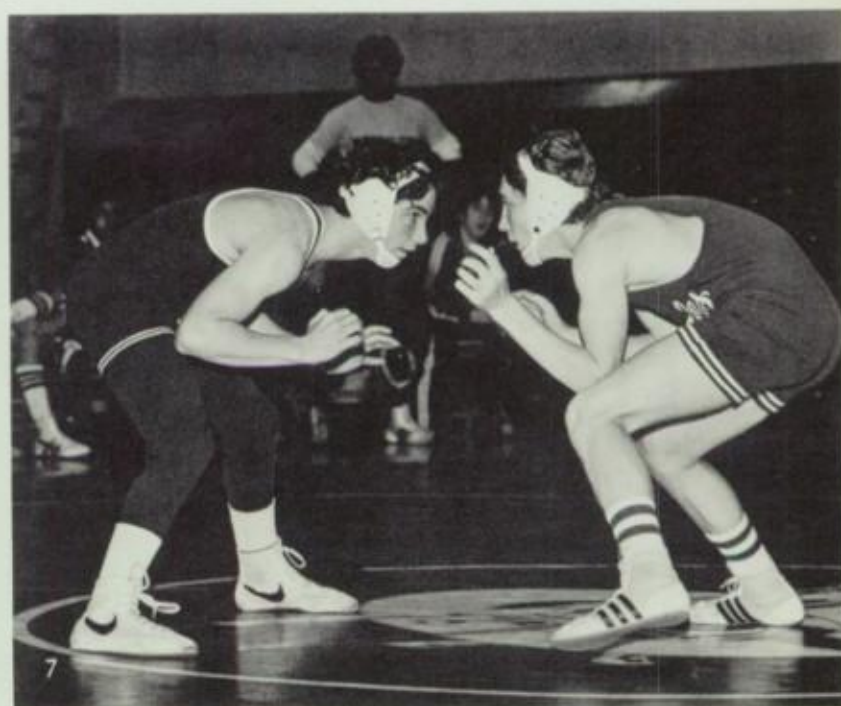

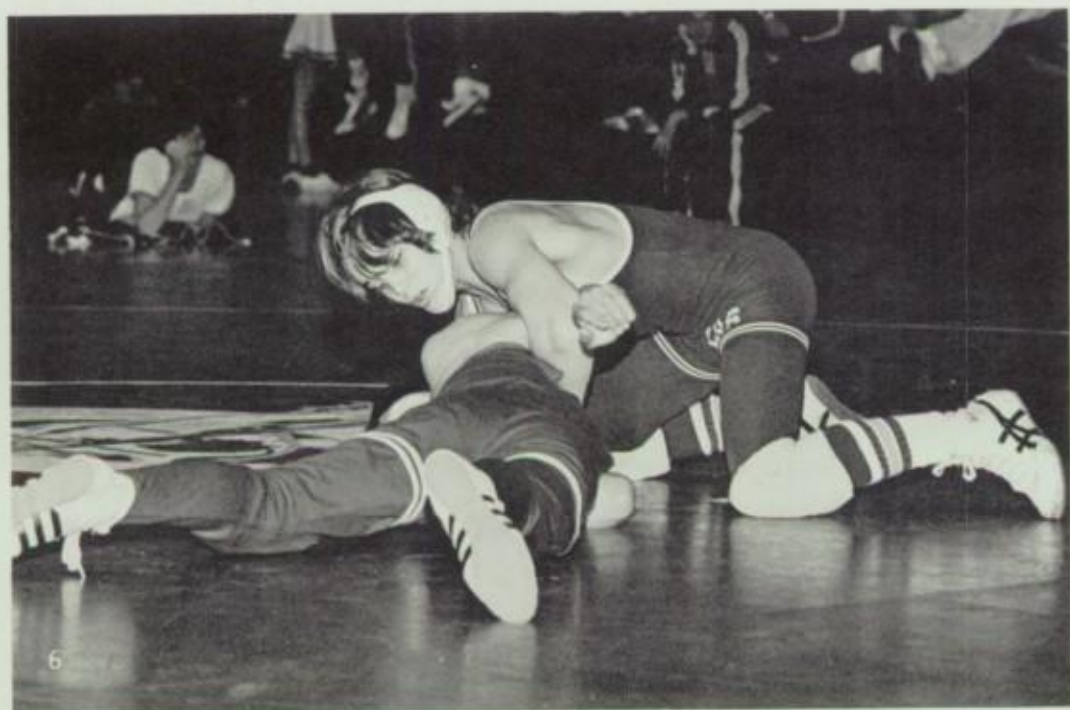

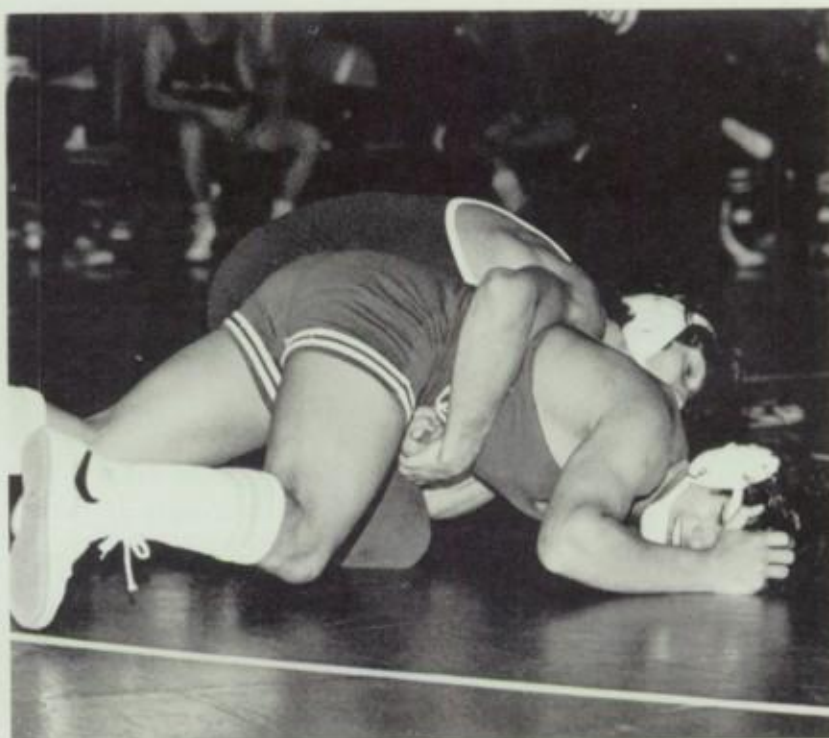

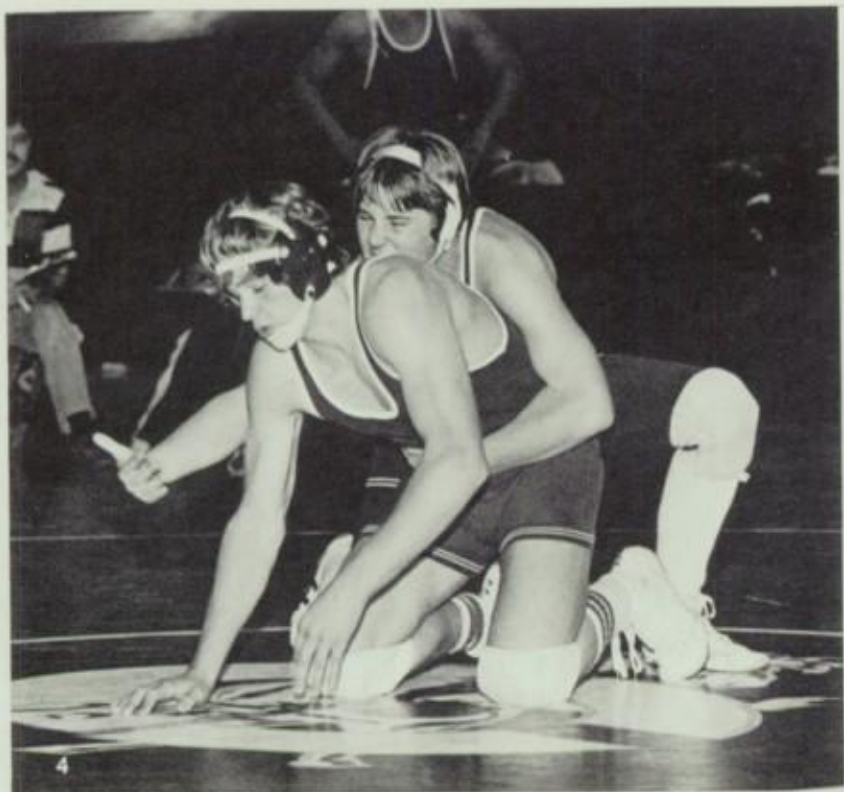

Promising athletes like Kevin Freeman and Ed Cascella were key wrestlers in the Colts quest for victory. Jack Murray, a first year wrestling coach, came up with the excellent tips and added enthusiasm this young squad of grapplers needed for a successful year.

With the coming season ahead, it looks as if nothing could stop these fine young athletes from gaining the top position.

In his sixth year coaching at Covina High, Coach Dayne, and with the help of team captain Tim Madison, the Varsity Swim team showed excellent performances in the new Valle Vista League. BOY'S TENNIS

Fast And Strong

There are no wildly cheering crowds watching with bated breath. It isn't Forest Hills or Wimbledon, but there are champions trying to better their records on the CHS tennis courts under the expert coaching of Coach Mike Ofner. A new league can be challenging, but Covina had some first class players, such as: Mark Gadbury (a junior) and Ross McConnell (a senior) who were last year's Montview League Doubles champions, and David Carey (a junior) and Dan Belling (a senior). A strong back-up in the J.V. and Frosh-Soph teams, ably coached by Coach Mike Dole, should help carry on the CHS fine tennis tradition.

BOYS TRACK

Off To A Good Start

The track team was indeed off to a good start. This team has shown more potential for success than teams in past years. Although it is a smaller team than usual there is a lot of talent. This is the reason why the Varsity Team won its first two dual meets. The Colts also enjoyed a victory at the Olympian Relays. The team won over 20 medals in this tournament. One of the team's biggest assets is all-around athlete Bill Malins. Bill won four medals at the above invitational. Other standouts include seniors Derek Firl, Frank Selvaggio (who was injured early in the season), and Greg Whitsell; juniors Derrick Elleby, Bruce Lutrell, Mark Contreareas, and Bruce Stinson. Also watch underclassman Wayne Griffin.

VARSITY BASEBALL

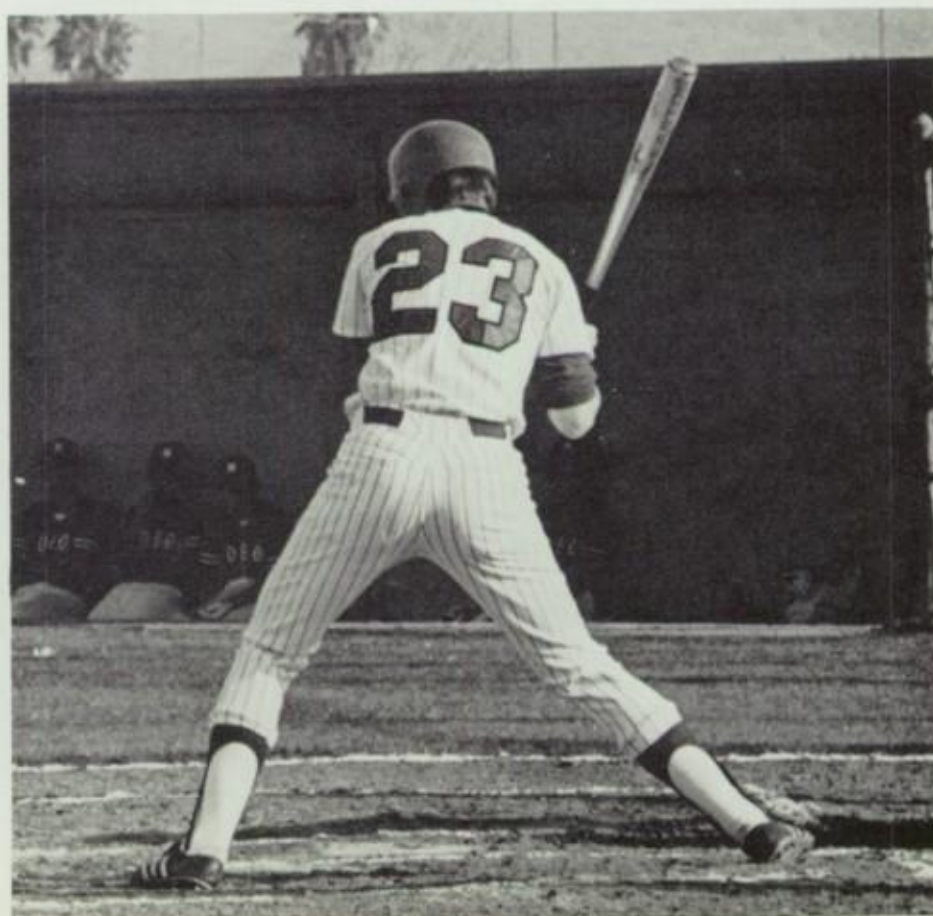

A Tough Act To Follow

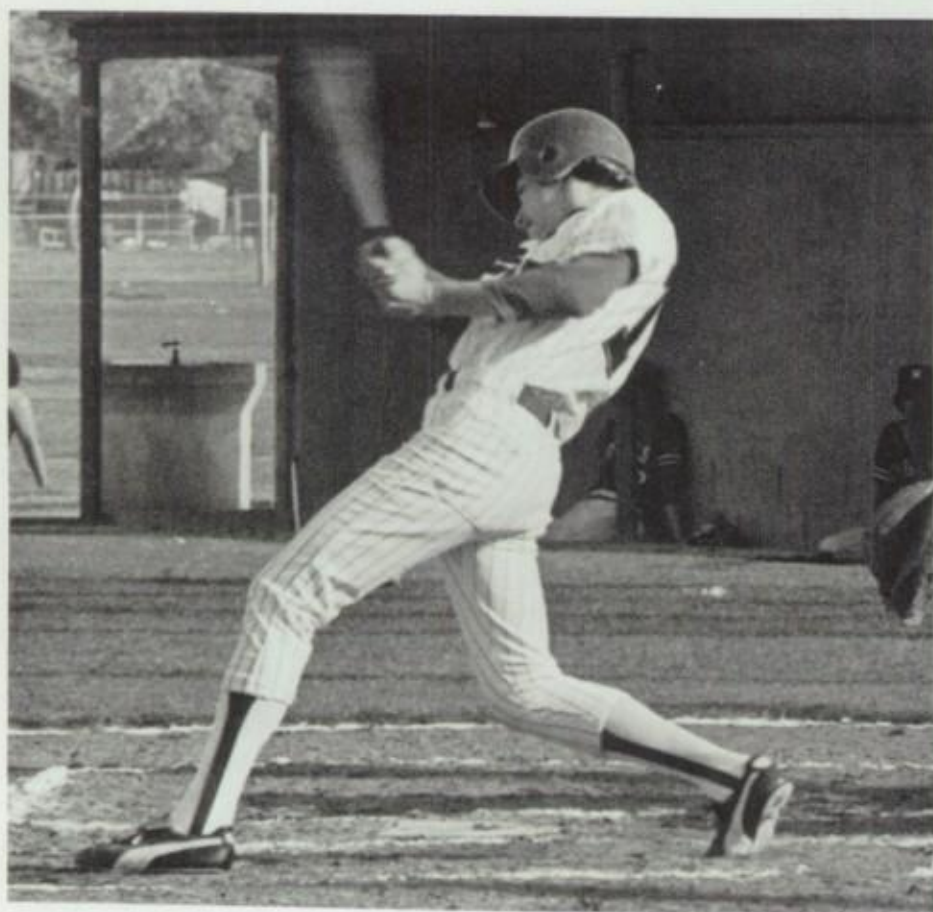

This year's team had a tough act to follow after last season's outstanding C.I.F. Championship Team with a 25-3 record. The only returning player to this years team was first team All C.I.F. catcher Larry Baab. The varsity team was young and inexperienced but posted a 20 game win streak on last season's championship J.V. team and hoped to keep that streak alive. On the hill for the Colts were Ron Letourneau, Sophomore Tom Gorman, and relief man Mark Rosenbloom. Base stealing will be a big part in Covina's success with speedsters Jim Wolak and Tom Haynes. Most of the power was supplied by Larry Baab and Pat O'Hara who is only the second player to hit a Puente Street homerun. If this year's team plays to its capabilities, anything will be possible.

J.V. BASEBALL

Gaining Experience

The junior varsity ball club was led by junior ace Wes Christner and relief from sophomore Mike Ausberry. The Colt defense was anchored by Bobby Lukeasko at second base. Kenny Impastato led the hitting with David Lupu contributing greatly. Coach Viverto felt that this year's team had a very successful season.

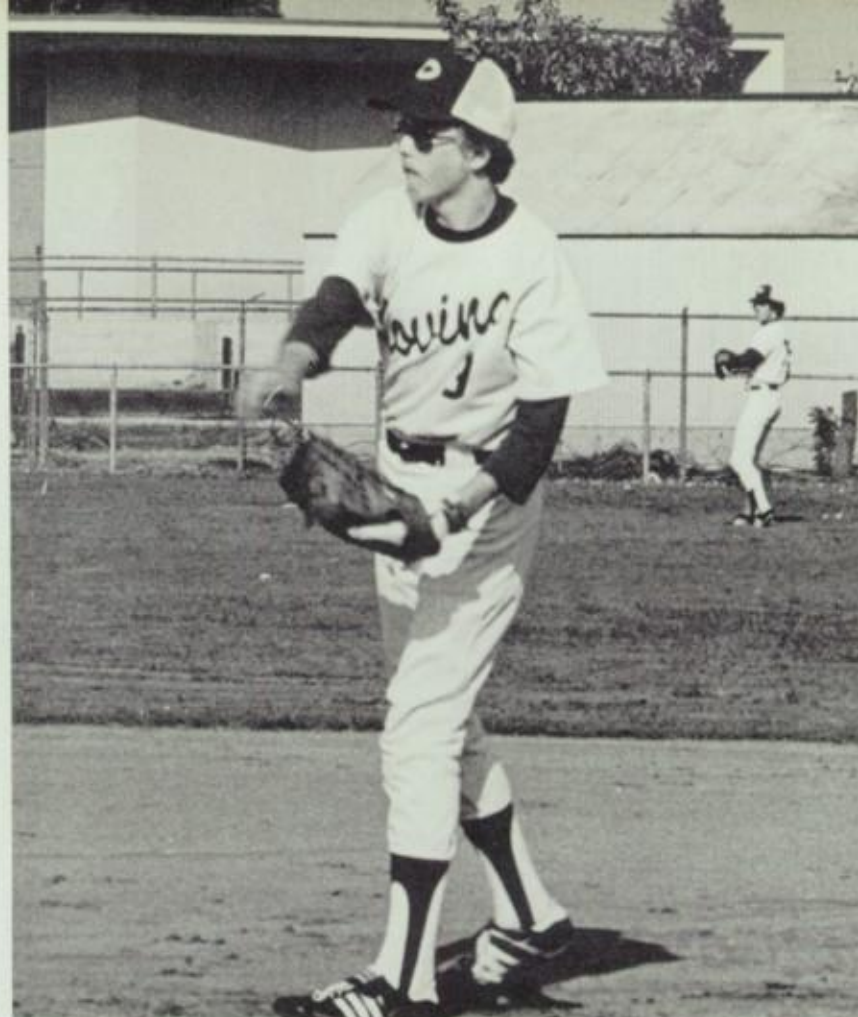

Back Row: Andy Soto, Bob Lukeasko, Joe Alarcon, Jim Payne, Wes Christner, Dave Lupu, Ken Impastato, Jim Broadbent, Coach Viverto. Front Row: Mike Beck, Bill Johnson, John Vega, Tom McClean, Kenny "Leonardo" Boogren.

FRESHMAN BASEBALL

Just The Beginning

This years Freshman team, under Coach Beal, relied heavily on the strong arm and good bat of Rob Edgell. He was backed up by infielders Ron Peterson and Chad Christensen. Hopefully, this team will provide the talent for more future baseball titles at C.H.S.

GOLF

Professionalism

Golf is a gentleman's sport that takes a tremendous amount of skill, talent, coordination and determination.

Phil Roche, a most able instructor, and his team of golfers displayed all of these qualities and more on and off the course.

This year's team of aspiring golfers, though young, showed signs of experience and skill throughout the season.

Mike Burton, Neil Elinger and Dave Whitlock, the team stars, gave added tips and helped whenever possible. They also inspired the team to strive for excellence.

Though the team faced a challenging year, they certainly had reason to be proud of all of their fine accomplishments.

GIRLS TENNIS

Learning By Doing

The girls Varsity and JV tennis teams were very talented this year, although it didn't show in their record. Plagued by smog and many injuries, Covina's only win was against undefeated Workman. Sue Wilken and Lisa Hattermann were sent to league finals as our #1 and 2 singles players, while Mara Jungk and Tami Shutte, and Missy Jungk and Verdi Baldassi were teamed up for doubles. The JV tennis team did quite well as they finished fourth in the Valle Vista League. Singles player Lisa Burdy was a great asset to the team, along with Tammy Yermasek and Michelle Casteneda. Coaching was headed by Linda Ofner and Nancy Pennel.

VARSITY VOLLEYBALL

Aiming To Win

Varsity had a good season this year and was very honored to have placed three of the Varsity players on the All-League first team. Maryanne Reagan ranked 5th overall for her first year on Varsity. Co-Captain Janet Nicolls ranked 4th overall and was chosen as the best spiker on the team. Ranking the highest among the three, Benjamins was 3rd and was selected as the "Best in the League". Altogether, they worked as a team and without everybody working together it couldn't have turned out as well as it did.

JV AND FROSH/SOPH VOLLEYBALL Displaying Good Effort

Junior Varsity and Frosh/Soph Volleyball did extremely well this year. Junior Varsity placed first with the perfect 14-1 in league and 17-3 overall. They worked hard together as a

team, a team with the best setters in the JV level—Karen Bernier and Kathy Berich. JV Coach, Miss Hockenbery said that it is the best season JV has had in a long time.

Meanwhile, the Frosh/Soph team came in second place. Starting with winless efforts, they soon picked up confidence and learned that that was what was needed to win. They practiced every day after school under the coaching of alumni coach, Ali Garcia. Star players Kathi Patti, Debbie Colson, and Terri Connel were helpful in achieving the winning season.

Shooting For The Top

One of the highlights of the Varsity season was the Nogales game. The Nogales team were stiff competition for the Covina Varsity team. It was breathtaking, but not a heartbreaking game. After going into overtime, the Colts won the game 53 to 51. Thanks to the leadership of Coach Davis, the Varsity team had a successful season.

GIRLS TRACK

Fired Up And Ready

The 1980 girls track team started out their year under the leadership of captains Joan Hedani and Karen Craig. The girls started the year with the same spirit that helped bring them to CIF last year. The girls team was in a different league than everyone else which made it much tougher, but they hung on. Girls track is becoming more and more popular and we're expecting many more girls to go out for it next year.

GIRLS VARSITY SOFTBALL

Experience Pays

The Girls Varsity Softball team, coached by Mrs. Davis, got off to a good start in their new league. The team is a very experienced team consisting of 2 seniors, 5 juniors, 4 sophomores, and 1 freshman. The team was very fortunate to have seven returning players from last years varsity level. The two pitchers, Karen Bernier and Dionthe Christy, have both done an excellent job. The power hitters of the team are Sue Wilkens, Tanya Reed, and Robin Letourneau. This young team was expected to finish at the top and go on to CIF as they did last year.

Seniors

THE STARS

Here is the stage, Seniors, you are the stars. Your credits were many at your opening in September, but as the months went by your credits rose. This scene is one that you'll always remember, your senior year. You didn't just sit back and enjoy the show, you got involved in it, it was the only chance you had, and you took it. There are so many things to look back on now; the canning of the first lucky freshman, rallies, Homecomings, your prom, and graduation. This whole school year was centered around you, the seniors, the leaders of the school. Your capable director was Mr. Ron Fago, he deserves much applause for the terrific job he did. You created many memories this year, but now it's time to move on.

Train for a Great Career in Health Care

The Career Field of the Decade

Thousands of job openings predicted through the mid-1980's

It's hard to believe how fast the health care field is growing. But take a look at the facts!

According to the Occupational Handbook published by the U.S. Department of Labor, the latest statistics show more than four million people working in health-related careers...and the entire field is expected to grow much faster than the average of all occupations through the mid-1980's.

And there's a growing trend toward professionalism at all levels. The American Association of Medical Assistants—an affiliate of the American Medical Association—has set up professional standards and competency tests for Medical Assistants and Medical Office Managers. And the Dental Assistants have their professional standards, too.

It's fun to work with doctors. Every day is different with new people to meet, new things to learn, new ways to grow in your career. You're someone the doctor really relies on—and your feelings of worth, prestige and job satisfaction reflect this. Health care is an exciting, rewarding field...and you can be part of it.

**THE
BRYMAN
SCHOOL**

As the curtain falls on our production "1980 A Year in Lights", a view of the attractions in the new decade, features the colts going to C.I.F. in many sports with male and female stars. Many of our students are finding more outside activities, leading them away from our campus.

On Monday morning after the weekend we come to a campus decorated with T.P. streamers to stimulate school spirit.

The Terrible Towels helped our Pep Unit create excitement at our games.

The Pine Boys were ready stand ins for the stars if needed.

The end of this production is sentimental but will be well remembered as we leave this big Theater.

We'd like to thank the people who brought this artistic creation to you.
